DISPATCH:

Request for Contract, Type B Security Approval

25X1A9a

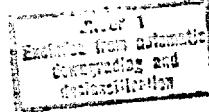

REFERENCE:

TSB/103 Memorandum dated 8 May 1968

1. It is requested that action be initiated to grant security approvals to enable the use of the above individuals as Contract employees, Type B. These individuals will be utilized under their new status in continued support of programs utilizing detailed research findings pertinent to personnel identity documents and protocol measures on a world-wide basis. They will have access to sensitive information on a strict "Need-to-Know" basis up to and including Secret.

2. Attached are updated W-2 forms executed by the above subject individuals. It is understood that your office has no present objection from the security standpoint to granting these employees to Type B contracts with the U.S. Government.

3. Plans for the change of status of this project pursuant to the reference are proceeding and this action should be completed within 60 to 120 days. It is contemplated that this project will be compartmented within the existing [redacted] leased facility located at [redacted] Washington, D.C. According to the Real Estate Section, Office of Logistics, and the history of usage of the building at this address, this facility is not considered to be officially identified as an Agency building. At the time of forthcoming re-grouping of [redacted] personnel to the 1400 25X1C4a complex, the remaining other inhabitants at [redacted], will 25X1A6a include one Type A employee and several part-time Contract KAS employees. The security plan contemplates that the Subject project will be appropriately compartmented within the [redacted] 25X1A6a new facility, thus they will not have access to the remaining DDCI operations activity at that location. Appropriate coordination has been initiated with Cover Division in regard to the establishment of the Subject project in this new status.

4. If additional information is necessary to this request, you should contact the Undesignated on extension 2620.
